COVID-19 District Update

Friday, September 25th, 2020

Good afternoon Oriole Nation. This is the second of weekly updates that come out on Friday afternoons summarizing COVID-19 activity in our District. We will be as transparent as we are allowed so everyone has the information of how many current cases, quarantines (was a close contact but does not have COVID-19), isolations (has contracted COVID-19) and other data that impacts our District due to the COVID-19 virus.

If your child is ever considered an exposure (less than 6 feet proximity for a total of 15 minutes in a day) to a COVID-19 case, you will be contacted via phone call, letter and email ASAP. When there are cases at a specific school or grade level the District will also send an information letter via email and a mass call to the parents of the students in that school. If you do not have your email in Skyward or need to update it please do that soon so you get accurate and up-to-date information.

Next Week Learning Model (September 28th – October 2nd)

- Blended
 - **Orange Cohort, Monday and Tuesday**
 - **Black Cohort, Thursday and Friday**

COVID Exposure-Infection Data

- Total Current Staff Isolated (tested positive): **0**
- Total Current Staff Quarantined (had direct contact with a positive case): **2**
- Total Current Students Isolated (tested positive): **3**
- Total Current Students Quarantined (had direct contact with a positive case): **30**

Please remember to read the Student-Parent Pledge!! We are excited to welcome students and keep our schools open. We got this!

Sincerely,

Aaron Sadoff - Superintendent
