- 1) Minutes from Oct. 10th approved.
- 2) Dawn N. gave an update on up coming fund raising. - Looking for people to volunteer for some youth basketball. Work 2 hour shifts. Looking for volunteers for Boys and Girls BB - concessions.
- 3) Aaron - Fundraising report - where money is - coming and going.
 - a) Sold 489 Discount cards - still have some left to sell. We made \$12 per card. - Total of \$9,780 - goal is to be ready in July - start late Aug. or Early Sept. Would like to sell 1500. Looking at staying local in the production of the cards. Currently use United - See report.
 - b) We will keep selling while we can. The students will be informed on 11/5 - prizes given out.
- 4) Winter Fundraiser - thought is Scooter Tournament - may be too late - for this year put it on hold . The amount of work right now to put into is just not doable at this time. Due to time and organization etc. Would like to do something in the future.
- 5) Gas Pump - Gillet has one - Aaron will go to a few local gas stations asking for them to donate 2 cents per gallon from one pump with our sign on it. Will do this between Thanksgiving and Christmas (PDQ, Express, Stretch) each have a pump. Pumps would have an O. N. wrap on it.
- 6) Advertising - NFDL Optimist currently does this. In the spring start looking at a book that has our teams highlighted - sell advertising in this. One for each sport season - get a plan together - try to roll out next year.
- 7) Calendar Raffle - see 2000 calendars - July 1st to June 30th - need someone to Chair this. We have some samples - We will need to run this under someone else for a year - 5013 - this could be a huge fundraiser for us. Sell in spring - winnings begin in July.
- 8) Fling for Wings - At BB games - \$1.00 a ticket - pull out 5 tickets at half time - each get a coupon for a snack wing pack. Then have a free throw toss at half time for those who ticket was pulled - chance to win a Wing Part. - They will give you a discount if you tell them you are from NFDL.
- 9) Walleye Weekend - will begin to work on this in Jan. -
- 10) See spreadsheet for our total - \$17,770.31. - the only money not broken down is our money from concessions. Hoping to be able to break this down sometime this spring. Goal is \$35,00 - \$45,000 for this year.
- 11) Question out - do we want to do a Brat Fry at PDQ - may be able to make \$1,000. Think about this - putting this request out - would like to do 2 of these -easy way to get \$1,000. Good way to get our name out.
- 12) Accept fundraising - Matt R. and Dean W.

- 13) Disbursement committee - Working one day a week - requests for \$40,000. Look at each budget. Bring in leaders of those clubs that needed the money sooner. Also got input from school leaders about how school supported in the past. Right now some requests need to be denied. Approved a few things early on (Robotics, student council). Want to meet with each group - see the true need vs. a want.
- 14) A new budget form was made - so your club may need to update their form. Questions came as to what the school supported and what O. N. supports. Trying to get an understanding of how the organizations function.
- 15) Questions - Are some of these are Wish List or actual items requested in the past. Committee trying to get to know what is what. What did you spend last year and how much does your club bring in? Now focus on “ What should we be supporting?” Committee is tracking donations etc. Looking to keep records so money can be planned for.
- 16) Girls BB - request for snack and hall etc for 25 years of coaching. Looking at denying this request and do something here at school after Alumni Night here in the commons. Club may do cake and drinks etc. Still in the planning. May be on Dec. 22nd. 2015.
- 17) Parent Rep - these folks may be aware of when a coach needs to be recognized etc. Have our parents make the request or etc.
- 18) Motion to table the Girls BB request.
- 19) Motion made by Robin Maramonte to request \$150 for Coach Kuehls 25th year coaching - motion was seconded.
- 20) The Disbursement committee was given a guideline from Mike M. and Aaron as to what the school supports etc. Help guide us.
- 21) Idea - sports banquets - one fall, one winter, one spring - O.N. purchases the food. Coaches and parent reps please think about this. Do a dinner and then each group break off and do what they need to do. Please consider this.
- 22) Disbursement Committee wants to give feedback to the clubs. Get info out to folks.
- 23) Tax information - we do have our tax number. We need to wait until Dec. before we can send in paperwork. May take 3-4 months to get paperwork back. Any questions??
- 24) Any questions - concerns ?? Doug Forsythe - has \$3,000 that he is bringing with him. Robin M. answered that requests be documented so the disbursement committee knows what your budget may look like in the future.
- 25) Dawn N and Rob G. - thinking about apparel - Joe asked for some designs for O. N. apparel. Would like to use Oriole Outfitters - since this is student run. Have the kids design for us. Also setting up an on-line store - Oriole Outfitters. The group and the store work together to make money for both - group and store. Win Win.
