**Isolation (test pos)
Process-2021-2022**

You test positive

You know when symptoms started

You are not sure when your symptoms started or you have none

You count day 1 as day **after** symptoms start

example:

Your first day of isolation would be your test day

Example:

You are released on day 11

Your symptoms started on 1/10/22.

Day 1 is 1/11.

Released on day 11 (1/21)

You are released on day 11 from your test date

Your test day was on 1/10/22.

Day 1 is 1/11.

Released on day 11 (1/21)
