Your child has the opportunity to participate in FLC's **E3 Academy** (The 21st Century Community Learning Centers Program) during the 2018-2019 school year. The 21st CCLC is a competitive federal grant awarded to the School District of North Fond du Lac for the specific purposes of providing educational activities and improving academic performance to first through fifth grade students. "The vision of the E3 Academy or 21st Century Community Learning Centers' Grant is to provide blended academic and recreational activities to 1st through 5th grade students in a safe and nurturing environment."

4. Parent Involvement
 - Parents are encouraged to participate in our upcoming Family Nights that will take place throughout the course of the school year. We plan to have 5 separate events during the months of: September, November, January, March and May. We believe that parents should play an active role in encouraging their child's personal success.
5. Student Expectations

This program is not a substitute for child care and the child's inability to have consistent attendance and behave in the Oriole Way may warrant that he or she may not be able to continue in the program.

A few of the basic guidelines are:

- participants may not have siblings from other buildings accompany them to the program.

OVER →

- participants must adhere to the behavior guidelines and the FLC Student Handbook and the E3 Academy Behavior Expectations, E3 is a privilege, not a right.
- parents/guardians and students MUST complete, sign and return the Enrollment Contract Form before their child is allowed in the program.

6. Please also read, sign and return the Behavior Expectations page.

We will continually work to improve this program to best impact the achievement and growth of all of our participating students.
