

E3 Academy Weekly Schedule

Please fill out the calendar below by placing an “X” in the boxes that your child(ren) will attend. **Keep in mind that these days must be consistent on a weekly basis and that attendance is just as important as a normal school day. If attendance is not consistent this could result in removal of the program.** In order to benefit fully from this enrichment program, students need to be present for the entire session. The North Fond du Lac School District staff looks forward to begin this learning opportunity with your child(ren).
