# 2018-2019 School Calendar Rationale

## The School District of North Fond du Lac

The 2018-2019 School Calendar has been a collaboration of our building partners and the District to best:

- meets our students' educational needs
- allows for optimal building and remodeling

### Summer 2018

#### Construction Referendum Projects

- **FLC** – build new playground area and front parking area – continue construction on new edition (*beginning March 2018*)
- **BAMS and HMHS** – do all interior remodeling, new parking/exterior traffic and resurfacing projects

*School ends on Wednesday, June 8<sup>th</sup>, 2018. In order to allow for referendum work to take place at HMHS and BAMS, summer school will be changed for the summer of 2018 (one full month free of people will be very helpful for construction and remodeling). Summer school will be full days. **Summer school will run from Monday, July 9<sup>th</sup> through Friday, July 27<sup>th</sup> (this is a test year and does not mean this will be the schedule for the 2019 and beyond).** Athletic conditioning and strength will be allowed to begin right after school ends in the High School athletic areas. We are also piloting a new tradition of the District closing for summer and celebration of America the week of July 4<sup>th</sup> each year. No sports, meetings, workshops, etc. will take place and we encourage. Our summer will be short, staff returning the week of August 13<sup>th</sup> and students August 20<sup>th</sup>. Summer of 2019 will definitely make up for this short summer ☺.*

### School Year 2018-2019

#### Construction Referendum Projects

- **FLC** – continue construction on new edition (April 2019 completion – hopefully sooner) and start renovations if possible
- **BAMS and HMHS** – finish any projects
- **ELC** – begin renovations when 5K moves out (may not be until summer 2019)

*The calendar begins on August 20<sup>th</sup>, 2018 and end Friday, May 24<sup>th</sup>, 2019. Graduation for the class of 2019 will be Sunday, May 19<sup>th</sup>, 2019. We also have Teacher In-Service days (Educator Data – Curriculum Development) throughout the year – **NO SCHOOL FOR STUDENTS ON THOSE DAYS** – 9/28/2018, 10/26/ 2018, 1/11/2019, 2/18/2019 and 5/3/2019. Spring break will occur at the end of March to hopefully allow moving time to the new areas of FLC if completed so renovations can start on the “Classic” Friendship building. Finally, ending school on May 24<sup>th</sup> will allow CD Smith (our construction partner) 13 weeks to complete the FLC and ELC renovations.*

### Summer 2019

#### Construction Referendum Projects

- **FLC** – Finish Remodel of “Classic” FLC
- **ELC** – begin renovations and hopefully complete renovations

### Fall 2019 Plan

*Staff returns the week of August 18<sup>th</sup> and students start school, Monday, September 1<sup>st</sup>, 2019. Pending Construction timeline on track – the 2019-220 school year may begin after September 1<sup>st</sup>, 2019.*
