## ACTIVITIES

### GENERAL INFORMATION REGARDING ACTIVITIES & Athletics

We encourage you to take advantage of offered programs as well as the academic life at Horace Mann High School. Most students find time to participate in at least one club, organization, sport, or special activity during the school year. Join activities that interest you, be a “doer” and not a “watcher”. When you commit yourself to an activity, you owe it your best efforts, not only to benefit the club, but yourself.

#### Academic Bowl

**Drama/Musical** The Horace Mann Oriole Players is open to all students grades 9-12. In the fall we produce a musical, and in the spring we produce a play. Students can participate as actors, dancers, set builders/painters, technical crew, and/or musicians. Students will learn self-confidence, leadership, discipline, and collaboration skills while developing their creative talents. No experience is necessary.

#### FBLA (Future Business Leaders of America)

Future Business Leaders of America (FBLA) is the national organization for all secondary school students participating in business education programs. Our mission is to bring business and education together in a positive working relationship through innovative leadership and career development programs. Students have the opportunity to attend leadership conferences, compete in business, marketing, and information technology related events, and also participate in community service activities. FBLA is open to all students, not just those interested in Business, Marketing, or IT.

#### Fishing/Ice Fishing

Students are able to attend fishing tournaments and ice fishing experiences as well as learn from speakers and others regarding Ice Fishing.

#### Forensics

The Horace Mann High School Forensics Team is open to all students in grades 9 through 12. Forensics provides students with an opportunity to improve their public speaking skills. Students may participate in a number of events such as play-acting, prose, poetry, and extemporaneous speaking. Competition begins at the conference level with the most successful students competing at the state meet in Madison.

#### Green Club

This group meets during Oriole Time to look at keeping Horace Mann clean and look at ways to promote being Green.

#### Key Club

Key Club is a high school service organization co-sponsored by the Fond du Lac Kiwanis Club and Horace Mann High School. The purpose of Key Club is to develop leadership and citizenship through service to the school and community. It is open to all high school students, led by elected officers, assisted by a faculty adviser and overseen by a Kiwanis member. The club establishes its own dues and determines its own service activities and service hour requirements.

#### Math Team

The Math Team is group of students who wish to further their math skills through conference competition. All students compete

**\*\*\*Upon signing the Emergency Treatment/Parental Permission you agree to follow all the rules in the HMHS Student Handbook and Co-Curricular Handbook\*\*\***

at their given grade levels (9-12).

### **National Honor Society**

The purpose of the National Honor Society is to recognize and encourage scholastic achievement, to stimulate a desire to render service to one's school and community, to promote leadership and to develop character and citizenship in oneself and their school. Membership in this organization has become recognized nationally as one of the highest honors that can be bestowed upon a high school student.

#### **CRITERIA FOR SELECTION TO THE NATIONAL HONOR SOCIETY:**

1. Must be a member of the sophomore, junior or senior class.
2. Candidates must have a cumulative grade point average of at least a B+, or 3.5 (on a 4.0 scale).
3. Those students who meet the academic requirements will be invited to fill out a Student Activity Information Form that will be evaluated by the Faculty Council. The Student Activity Information Form is not an application form nor does it guarantee selection.
4. Students will be evaluated by the Faculty Council on the three other requirements for membership: leadership, character, and service. The selection of each candidate for membership to the chapter will be the majority of Faculty Council.
5. It is the policy of the National Council of the National Honor Society and the National Association of the Secondary School Principals, the sponsoring organization, not to review the judgment of the Faculty Council regarding selection of individual members to local chapters.

### **Project Grill**

Students are partnered up with a business from the Chamber of Commerce and work collaboratively to create a grill while learning manufacturing processes and skills.

### **Student Council**

The Student Council is organized to represent the entire student body. The major area of the Council's work is in the field of developing good citizenship in and out of school. It acts as a liaison between the student body and administration.

The Council is a member of the Wisconsin Association of Student Councils. The council assists in the selection of assembly programs. It coordinates all Homecoming activities such as hall decorating, etc. The council runs all elections, and conducts several projects annually. It concentrates on specific improvement campaigns whenever needed.

### **Student Ambassadors**

A student on academic probation will be **allowed to practice but not participate in scheduled games, contests or scrimmages**. The student may be assigned to after-school study time with teachers, coaches or a school approved tutor.

After fifteen days, the student will obtain his/her grades from his/her teachers on a school issued grade check card signed by the activities director. If the student is passing all classes and has a GPA of 1.5 or higher in his/her current classes, the student may resume full activity participation.

Students who become ineligible due to fourth quarter grades of GPA will serve their academic probation in the fall per WIAA regulations unless participation in approved summer courses renders them eligible.

## **ADULT STUDENTS (18 YEAR OLD)**

Students who reach the age of eighteen (18) will continue to be subject to all school rules and regulations. Reports on academic performances, absence and misbehavior will be sent to parents of those students who are living with or are being supported by their parents as well as notices of students' decisions made in lieu of parental consent.

Students who request to be emancipated must have a parent/guardian contact the Principal to discuss emancipation. Upon parent request a letter will be sent home stating they wish for their son/daughter to be emancipated and understand that all communications from the school will go directly to the student. Students will be expected to comply with all school rules including attendance. Failure to comply with the attendance policy will result in the requirement of a medical excuse in order for the absence to be excused. Failure to comply with other school rules may result in a meeting, detention, suspension or even withdrawal.

## **ALCOHOL AND OTHER DRUGS ABUSE POLICY**

The School District of North Fond du Lac recognizes that the use of alcohol and other drugs, and the problems associated with it, are becoming increasingly commonplace in society. The abuse of alcohol and other drugs is destructive and causes problems in the lives of the individuals involved. Where the capacity to make responsible decisions regarding alcohol and other drug use has been reduced and compromised, prompt and appropriate attention can help the vast majority of individuals involved.

The School District of North Fond du Lac believes that along with parents and other segments of the community, the school has a role to play in helping students make responsible decisions about the use of alcohol and other drugs.

The School District of North Fond du Lac regards alcohol and other drug abuse problems and chemical dependency as any other illness or behavior problem. Our primary purpose is to be helpful, not judgmental in dealing with these problems. The School District of North Fond du Lac encourages any student to participate in a student assistance program and follow the recommended

**\*\*\*Upon signing the Emergency Treatment/Parental Permission you agree to follow all the rules in the HMHS Student Handbook and Co-Curricular Handbook\*\*\***

course of action.

Any disclosure by students to others concerning participating in the Student Assistance Program, will be held with the greatest degree of confidence by all those involved. The above confidentiality will not be adhered to if the student's disclosure(s) did or could result in harm coming to self or others (S.S. 118.126).

The School District will attempt to offer referrals to students affected by a family member or significant other's chemical dependency and to students with alcohol or other drug problems.

The school will enforce violations of school rules and the appropriate authorities as pertaining to alcohol and other drug abuse enforce regulations and state and federal laws. The students' rights and responsibilities will be adhered to as the standard administration practice regarding students' discipline and rights.

It is against school policy for any person in school, on school grounds, or at a school sponsored events to be under the influence of alcohol or other drugs except for the following: prescription medication used by the individual for whom it was prescribed and in the manner and amount prescribed. It is forbidden for any person to possess, manufacture, sell, use, and/or deliver alcohol or other drugs to anyone at school, on school grounds, or at school sponsored events. No person may use, possess with the sole intent to use, deliver, possess with the intent to deliver or manufacture drug paraphernalia in school, on school grounds, or at school-sponsored events.

According to state law, "drug paraphernalia" means all equipment, products and materials of any kind that are used or solely intended for use in planting, cultivating, growing, harvesting, manufacturing, compounding, converting, producing, processing, preparing, testing, analyzing, packages, repackaging, storing, containing, concealing, injecting, ingesting, inhaling, or otherwise introducing into the human body a controlled substance prohibited by state law.

## **ANNOUNCEMENTS**

Student organizations desiring to have an announcement made must have their items approved and given to HM Announcements of 4th hour. Oriole TV announcements are run 8<sup>th</sup> hour in classrooms.

## **ATTENDANCE POLICY (State Statute 118.15)**

All students, parents and staff of the Horace Mann High School are reminded that school attendance is compulsory and required by state law. Students are expected and required to be in their scheduled classes each school day.

It is the responsibility of the parents/guardians of the student to contact the High School office and provide the reason for the absence. **If no communication is made within 2 school days after the student returns the absence may automatically be marked as unexcused.**

1. Students are expected to attend all of their classes daily and remain in the high school building from 7:30 a.m. until 2:35 p.m.
2. Students who are absent or tardy are to have a parent or guardian call the high school office at 929-3740 before 10:00 a.m. to inform school officials of the student's absence and reason for it. An answering machine is available to leave a message before or after this time.
3. Students who are tardy to school are to immediately report to the high school office upon arrival. Students will call a parent/guardian to notify them they are late. Students are considered tardy if they arrive to school within five minutes of the bell. Arriving after five minutes without an approved excuse is considered truant. Students are allowed two "freebie" tardies. Students are issued a detention from their first hour teacher for every tardy after the second one.
4. Students who leave the building for medical/dental appointments during the school day must have written or phoned in parental permission to the school office and sign-out **before** leaving the building. Those students who become ill during the day will need parental /guardian permission **before** being signed out in the office.

### **ANTICIPATED ABSENCES**

Anticipated absences require students to bring a note from their parent or guardian to the office at least two (2) days prior to the scheduled absence(s). **Students must inform teachers of the anticipated absence. All assignments are the responsibility of the student.**

Anticipated absences are allowed for the following reasons: family trips and vacations, college visitations, funerals, driving tests, pressing personal business and deer hunting and school related absences (field trips, performances)

### **UNANTICIPATED ABSENCES**

Parents are expected to request assigned work and pick up same as needed to keep their student current with class work until the return of the student. The students will then make arrangements with individual teachers regarding make-up work following the 2-day rule above. Grades not made up in timely fashion will revert to zero's (0).

### **EXCUSED ABSENCES**

Absences because of illness, family emergency and/or approved school activities are excused if the school is notified by the parent/guardian as soon as practical of the absence. Absences because of medical appointments, family trips, etc. must be cleared

**\*\*\*Upon signing the Emergency Treatment/Parental Permission you agree to follow all the rules in the HMHS Student Handbook and Co-Curricular Handbook\*\*\***

prior to the absence. It is up to the students to arrange make-up of any schoolwork missed. Excused students will have two (2) days for each day they are absent in which to make up their missing work. After that time missing grades will revert to zeros. *The high school principal may extend the length of time allowed for make-up work in situations with extenuating circumstances.*

**EXCESSIVE EXCUSED ABSENCES**

**Parent notification shall occur when a student accumulates an excessive number of excused absences (ten or more). A written statement from a doctor may be required in situations where a pattern of excessive excused absences from school has occurred. Absences not accounted for in this manner will be considered unexcused.**

**UNEXCUSED ABSENCE:**

**Students on their first unexcused absence (truancy) may receive a truancy citation.**

Unexcused students may see teachers for assigned work from the period of absence and *have* the opportunity to do the make-up work.

Please note:

Class work missed during suspensions may be made up, and students will be able to take any test missed during the suspension.

It may be recommended by individual teachers that the student make up the time and/or the work missed in an attempt to help the student successfully pass the course.

When a student has been absent a total of five (5) unexcused absences or ten (10) excused absences, an attendance notification letter will be sent to his/her parents or guardians. If necessary, a personal parent conference will be requested by the building principal or designee to discuss the situation.

**HABITUAL TRUANCY**

*State Statues 118.16 and 118.163 defines HABITUAL TRUANCY as the following:*

*A child is absent from school without an acceptable excuse for part or all five (5) or more days on which school is being held during a school semester.*

A certified letter will be sent and a truancy meeting held with parents and student regarding habitual truancy.

**TRUANCY**

A student will not be regarded as truant when parental explanation of an acceptable cause for the absence is given within **2 school days** of the pupil's return to school. If a student does not have parental explanation they are considered truant.

Those students who miss a scheduled class, lunch or study hall without permission will be considered truant.

Parents of students who are truant will be contacted by phone or by mail. Truancy may result in detention, in/out of school suspension and possible referral to the Juvenile Intake Department of Fond du Lac County or North Fond du Lac Municipal Court for further action. Any truancy may result in the issuance of a **citation**.

The Village Ordinance states: Prohibition against truant. Any person between the ages of 6 and 18 years who is attending school in the village, subject to the exceptions found under Wis. Stat. 118.15, is prohibited from being a truant as the term is defined in the section. Any law enforcement officer in the village is authorized to issue a citation to any person who is determined to be truant under the terms of this section.

**AUTOMOBILES AND OTHER MOTORIZED VEHICLES**

All vehicles used by students for transportation purposes to and from school must be registered in the office. A limited number of parking permits are available for \$20.00 in the office. (These are purchased at the beginning of the year when picking up student schedules.) It is the responsibility of the student to park in the McKinley Street parking lot and to display a school-parking sticker. Failure to comply may result in a parking citation issued by the North Fond du Lac Police Department. To ensure the safety of all students at Horace Mann:

1. No car will leave the parking area during the school day unless the owner has signed out in the high school office.
2. Students are to obey all state and local traffic laws.
3. Students will operate their automobiles at a controlled speed of 10 miles per hour in the parking area.

## **CLASSROOM RULES**

**We utilize a school-wide approach to discipline through positive reinforcement called the "Oriole Way."** This will provide our students a safer more consistent and positive environment to learn in. You may be wondering, "What is The Oriole Way" and how will this affect me?

Let's first start with the expectations of "The Oriole Way."

**BE READY**

**BE RESPECTFUL**

**BE SAFE**

Each of these 3 expectations means different things, although they do all complement each other. First let's start with BE READY.

**BE READY** Being Ready means no matter where you are or what you are doing you should have the appropriate materials ready for your day and that current part of your day. This includes but is not limited to clothing, planners, textbooks, assignments, writing utensils, paper, etc.

**BE RESPECTFUL** Being Respectful means showing yourself and others that you value yourself and them. You value your and their possessions and your and their surroundings. This includes but is not limited to being on time, using the appropriate voice levels and language, listening to others', accepting others feelings and differences.

**BE SAFE** Being Safe means to create a place that you and others feel free from harm, danger, or risk of bullying and/or

**\*\*\*Upon signing the Emergency Treatment/Parental Permission you agree to follow all the rules in the HMHS Student Handbook and Co-Curricular Handbook\*\*\***

harassment. This includes but is not limited to walking in the hallways, staying seated at your desks, using supplies for their intended purpose, keeping hands and feet and negative comments to yourself, etc.

In addition to our 3 expectations there are 5 other components to “The Oriole Way.” Let’s first start with the Behavior Matrix

1: Behavior Matrix - As you move around your school you will find Behavior Matrix signs along with different signs around to help you remember what the expectations of the particular school area or setting that you are in. For example, you will see in the hallways different signs to help you remember to walk, to stay to the right, to keep your hands and feet to yourself, use a soft voice and so on. These signs are what are expected of you while you are in that area.

2: Direct Teaching - Throughout the year you will hear of different areas being “rolled out.” This means that at that time we as a staff will focus on that particular area. This could be done in many different ways...videos, practicing, an assembly and what other ways the staff finds helpful. All of us need reminding sometimes so the staff may need to reinforce the different expectations throughout the year by re-teaching the lesson.

3: “The Oriole Way” acknowledgment system – This system will recognize appropriate behaviors. “The Oriole Way” tickets called, Pride Points at Horace Mann, BAMS Bucks at Bessie Allen, and Terrific Tickets at Friendship Learning Center will be handed out to students by staff members when they see an appropriate behavior displayed by a student. These “tickets” can be redeemed for numerous items and privileges.

4: Behavior Reporting – With all systems there is always a need to report those behaviors that are not desirable. Sometimes even though clear expectations are taught some students will still choose to misbehave. When this occurs a Behavior Report is written to record the incident with follow up to include but not limited to, assisting or re-teaching the expectation, there may be a conference with the teacher reporting and meeting with staff and parents/guardians, etc.

There are two kinds infractions, Minor and Major.

A **Minor infraction** is disruptive to the learning environment and will be handled by the supervising staff member in the situation.

A **Major infraction** is much more serious or is a repeated inappropriate behavior and needs to be met by the principal and parent/guardians will receive notification.

5: Data Collection – Throughout this process data will be collected and kept. This must be done so the staff knows the times, places, behaviors, etc. that are occurring so we as a staff can meet all of the expectations through further interventions.

Thank you for taking your time to listen to our brief explanation of “The Oriole Way.” We know that if we provide not only students but staff as well with a consistent environment from Kindergarten through 12<sup>th</sup> grade we can all expect a READY, RESPECTFUL and SAFE environment to learn and live in. If you have any questions please feel free to speak with myself or any of the North Fond du Lac School District staff members, we are here to help.

## **GRADES**

Grade point averages can affect future employment, scholarships, and admission to work experience and college or technical college. Your grades are important. The following is the Board of Education approved and mandated grading scale to be used for all classes without exception.

A+ 97-100 A 93-96 A- 90-92 B+ 87-89 B 83-86 B- 80-82 C+77-79  
C 73-76 C- 70-72 D+ 67-69 D 63-66 D- 60-62 F 0-59

A point system is used for calculating grade point averages.

A+/A=	4.00	B=	3.00	C=	2.00	D=	1.00
A-=	3.75	B-=	2.75	C-=	1.75	D-=	1.0
B+=	3.25	C+=	2.25	D+=	1.25		

Multiplying the grade point earned times the credit value of the class (per semester) then dividing by the total number of credits available to earn (per semester) equals the grade point average for the semester.

## **GRADE REPORTS**

Our grade reports are issued four (4) times a year using two formats; Quarter Grade Reports and Semester Report Cards. Mid-quarter progress reports will also be sent out 4 times during the year at mid-quarter (23 days into the quarter) showing your child's progress to that point.

## **QUARTER GRADE REPORTS**

**\*\*\*Upon signing the Emergency Treatment/Parental Permission you agree to follow all the rules in the HMHS Student Handbook and Co-Curricular Handbook\*\*\***

These reports are issued at mid-semester. Depending on when Parent Teacher Conferences are scheduled, these reports will either be available at the conferences or be able to be viewed on skyward. If you wish to have a paper copy please request one from the High School office.. These reports are intended to inform the student and parents of the progress at the mid-point of the semester. These grades are not recorded on the student's transcript.

### **SEMESTER REPORT CARDS**

Semester report cards are issued at the end of the semester and are mailed (or given at Parent Teacher conferences to the parents of the students). The grades listed on the report card are the official grades for each class and reflect the achievement of the student. They will be recorded on the transcript of the student.

## **SCHOOL COUNSELING DEPARTMENT**

Counselors are trained in the Wisconsin Comprehensive School Counseling model, providing academic and career counseling to all students. Counselors are also trained to provide personal support to students in various situations, and/or refer mental health concerns to outside agencies.

Information regarding programs, admission, and costs associated with a 4 year university or 2 year technical college can be discussed with any of the counselors in the Counseling Department. Students may also obtain information about Youth Apprenticeships or Military service opportunities. Counselors assist students in making decisions regarding appropriate high school coursework that will best help them prepare for the post-secondary plans they are pursuing.

School counselors aid in the financial aid and scholarship process, providing information to students and families via the school web-site and scheduled group meeting nights.

**\*\*\*Upon signing the Emergency Treatment/Parental Permission you agree to follow all the rules in the HMHS Student Handbook and Co-Curricular Handbook\*\*\***

The school counseling services listed above are delivered to students through both individual and group contacts. Students may see a school counselor by making an appointment during the student's study hall time or other time mutually agreed upon by the student, counselor and teacher if necessary.

The goal of the school counseling department is to provide the most comprehensive program, which includes supporting the academic, career, personal, and social development needs of all students.

## **HARASSMENT/BULLYING AND HAZING**

Students are not allowed to harass, bully or haze other students, by any means including but not limited to verbal, written or implied threats. Students who feel they are being harassed should report incidents to the high school principal or another staff member. Students who harass other students will receive consequences.

The District is dedicated to creating authentic, positive relationships through the "Oriole Way," which is focused on being Ready, Respectful and Safe. Positive relationships and the Oriole Way is the key to making everyone feel as safe as possible.

The word respect has many definitions, but the one we use in our District is "treating someone as they are valuable." Sometimes people forget this definition and are purposefully mean to others and treat them very poorly. These actions sometimes rise to the level of "Bullying." Our Board policies define bullying as "deliberate or intentional behavior that involves an imbalance of power. Bullying may be motivated by an actual or perceived distinguishing characteristic, such as, but not limited to age, national origin, race, ethnicity, religion, gender, gender identity, sexual orientation, physical attributes, physical or mental ability or disability, and social, economic or family status."

The difference between someone being mean and inconsiderate and bullying is sometimes blurred and difficult to distinguish. It is a sad reality of life that people have been, are and will continue to use mean bullying tactics. The District wants to make sure that we can address all instances of bullying and have created another way for people to report bullying incidents. With information, we can then work together with the victim, families, the "bully" and community to hold people accountable, protect all and foster a culture that is Ready, Respectful and Safe!

**The District has developed and will start to use a new form called the "Bullying Confidential Online Incident Report." The form is available on the District website ([www.nfdl.k12.wi.us](http://www.nfdl.k12.wi.us)) and in the building offices. We hope this form helps people feel more comfortable reporting incidents if bullying is taking place. Please also know that at any time if a student is feeling bullied in school that he/she, the parents, friends, or anyone can always report these incidents to an adult in the school and the situation will be addressed.**

Together we can make a difference and create a culture that does not tolerate bullying and support the respectful, caring relationships that are essential to learning and growing!

## HONOR ROLL

We will post an honor roll at the conclusion of each semester. We consider all course work as honor points and credits of work are determined by the amount of class time. The honor roll is determined as follows: 3.5 to 4.0 High Honors, 3.2 to 3.499 Honors and 3.0 to 3.199 Honorable Mention. Honor roll is determined by dividing the number of credits into the total number of grade points, giving you your grade point average.

## INCOMPLETE

From time to time, the work needed to complete a course may not be done in time for the grade reports. A teacher may choose to assign an incomplete to the student until all make up work is completed and a regular letter grade is assigned. The student has 10 school days to complete the work and receive credit. All work not completed will receive an F and the final grade will be computed. It is the student's responsibility to get the work that needs to be made up. The building principal must approve any exceptions.

Telephone: 920-929-3750 FAX 920-929-3664

### **MEDICATIONS AT SCHOOL**

**Medications should be administered at home whenever possible.** Parents/guardians are urged to consult with the prescribing physician to determine if medications can be scheduled outside school hours. #### PRESCRIPTION and OVER-THE-COUNTER MEDICATIONS

2. The prescription medication must be supplied in the *original pharmacy-labeled bottle* indicating the correct dosage and frequency of administration. This information must be the same as written on the medication form. Only the amount of medication needed at school shall be contained in the bottle.
3. Over-the-Counter medication must be in its original container, with the correct dosage and frequency of administration on the medication form. **Smaller bottles/packages should be sent.**
4. If changes in the dosage take place, an updated physician's order form (as stated above), and an updated pharmacy-labeled bottle will be required.

2. Students may **not** dispense any medication to other students.

2. When you know your child will be taking medication, discuss the hours of administration with the doctor. **It may be possible to regulate the dosage so that medication can be given at home and not at school. (I.e. antibiotics given three (3) times a day).**
3. Parents are to deliver the container of medication to the school office to prevent tampering by the child and other students.
4. **Unused portions of medications after the completion of the school year or when discontinued will be disposed of after seven (7) days if not picked up by the parent.**
