Other comments from parent/legal guardian:

I have read, or have had explained to me the Vaccine Information Statement (8/5/2019) for inactivated influenza vaccine. I have had a chance to ask questions that were answered to my satisfaction. I understand the benefits and risks of the vaccine(s) requested and ask that the vaccine be given to the person named above for whom I am authorized to make this request by the Fond du Lac County Health Department. **If my child is younger than 9 years of age this consent authorizes the second dose of influenza vaccine if medically indicated.** Consent can be revoked by notifying the Fond du Lac County Health Department @ (920)929-3085.

I give permission to share my child's immunization records including those provided to school(s) with the Wisconsin Immunization Registry and my Immunization Provider for the purpose of maintaining a complete and accurate record to assist in assuring full immunization. **Check here if you do NOT give your permission to share:**
