Dear Parent or Guardian,

We will continue to offer our open campus lunch for junior students who meet the necessary requirements. In order to help them continue to be responsible and prepare for life after high school we believe in offering students flexibility. Open campus is an opportunity for students to develop personal responsibility for their unscheduled time. This off-campus time during the day can teach students to budget/prioritize their unscheduled time and complete important tasks that cannot be accomplished within the formal school environment.

Off campus release time is not suitable for every student; therefore, Horace Mann has instituted minimum academic and behavioral eligibility requirements. Students are expected to continually prove they earned the “privilege” to release time at lunch through their performance. (see Terms and Conditions: Eligibility)

Students will have the option to be off campus for their lunch hour; however, release time should be considered a privilege. Accordingly, if a student loses their eligibility due to attendance, academics, or behavior concerns, they will be assigned an on-campus lunch. Students can regain Junior Privilege Lunch at semester if they meet all conditions. (see Terms and Conditions: Dismissal)

We highly encourage you to have discussions with your student regarding your expectations of them related to their use of any unscheduled off campus time. Parents/Guardians may request their student be assigned to in-school lunch hour at any time during the school year by making arrangements through their student’s dean or school counselor.

Students must apply for Junior Privilege. Requests for specific Junior Privilege Lunch hours may not be honored.

Please feel free to contact me with any questions. If you would like your junior student to be able to have a Junior Privilege Lunch please sign and return this form.

Sincerely,

Duane Hartkopf
