

Family Savings Plan™

Family Savings Plan™ Proprietary and Confidential Trade Secret - Property of Network Health Administrative Services, LLC

Introducing ... Family Savings Plan™

- The Family Savings Plan (FSP) offers savings for plan participants by enhancing their employee benefits coverage.
- By transitioning eligibility to the Family Savings Plan, participants will receive up to 100 percent coverage for eligible out-of-pocket expenses.

Determining Employee Eligibility

How Does FSP Work?

- By joining another employer-sponsored plan, employees and their dependents can be reimbursed up to 100 percent for eligible out-of-pocket medical and pharmacy expenses.
 - Deductible
 - Coinsurance
 - Copayments
- Participants must use Network Health participating providers.
- All FSP participants (including employee, spouse and/or dependents) must be covered under the spouse's employer plan.

Eliminating Financial Barriers

The School District of North Fond Du Lac will provide a \$150 per month bonus.

Choose In-Plan Medical Providers

- FSP participants will need to select in-plan providers with the primary insurance plan along with Network Health for FSP reimbursement.

Network Health Service Map

- If you reside in the service area, you will use in-plan providers with the primary insurance and in-plan providers with Network Health.

Outside of the Service Area

- If you reside outside the service area, you will simply need to follow the in-plan providers on your primary insurance health plan.

Reimbursing the Provider

Up to 100 percent medical coverage

- Present your primary insurance card along with your FSP card to the provider.

FSP claims will be submitted by the provider directly to Network Health and should be billed as secondary health plan coverage.

Reimbursing the Member

Up to 100 percent medical coverage

- Submit the following as soon as you receive the required documents.
 1. FSP Reimbursement Form
 2. Explanation of Benefits (EOB)
 3. Legible provider bill or receipt

Choosing Pharmacies

- Choose pharmacies that are in-plan with your primary health insurance.

 networkhealth.com	<Company Name> POLICY: Family Savings Plan™ GROUP NUMBER: <Group number> EFFECTIVE DATE: <Effective Date>	
Member Name: <Susan Sunshine>	Member ID#: <000000000>	FAMILY SAVINGS PLAN PAYS FOR COPAYMENTS, COINSURANCE AND DEDUCTIBLES ONLY
Dependents: <George Sunshine> <Sissy Sunshine> <Kip Sunshine>		Pharmacy Information: Rx BIN: <003858> RxPCN: <SSN> RxGrp: <Group>
Note: Enrollee's other employer-sponsored health plan coverage must be submitted first.		FOR PRESCRIPTION COVERAGE, SHOW YOUR FAMILY SAVINGS PLAN ID CARD AT THE PHARMACY

Reimbursing the Pharmacy

Up to 100 percent pharmacy coverage

- Present your primary insurance card along with your FSP card to the pharmacy.
- Enrollees will follow the primary insurance pharmacy guidelines in order to receive up to 100 percent FSP reimbursement.

FSP claims will be submitted by the pharmacy directly to Network Health and should be billed as secondary health plan coverage.

Reimbursing the Member

Up to 100 percent pharmacy coverage

- Fill out a reimbursement form with a copy of the detailed pharmacy receipt and FSP will send a check directly to you.

Rx

Emergency Room Reimbursement

- When seeking ER treatment, follow in-plan providers with your primary insurance and in-plan providers with Network Health.
- When outside the service area, simply follow the guidelines of your primary insurance.

You Can Choose an HSA

- If your primary insurance plan is a high deductible health plan with an HSA, you can no longer make active contributions to that HSA account while an FSP participant.
